

ezLaminator®

The easiest way to laminate

User Guide

The Xyron® ezLaminator® is perfect for your office, school and home laminating needs. The patented easy loading cartridge offers you all the flexibility and quality you expect from Xyron without heat, electricity or batteries. The ezLaminator allows you to effortlessly apply lamination to your document or projects.

Features & Functions

Patented Easy Loading Cartridge:

Allows you to replace cartridge in seconds.

Handle:

Advances items through the machine when turned clockwise.

The Input Tray:

Use to feed items into machine.

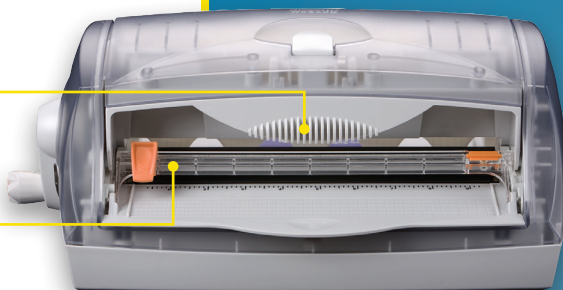

The Built-in Grip/Carry Handle:

Take your machine almost anywhere.

Removable Trimmer:

Makes it easy to cut.

Unloading & Loading

Open cartridge compartment by lifting up on latch.

Gently pull cartridge up and out of machine.

Open lid. Slide cartridge down into tracks on machine sides with exposed roll of material facing open lid cover. Close lid securely. Advance laminate and trim.

Basic Operation as Easy as 1-2-3!

Insert Item

Place item on feed tray.

Turn Handle

Guide item forward while slowly turning knob clockwise until your item comes out of the back of the machine.

Trim

Press down on cut blade and slide to the left or right to cut. Note: For a smooth cut, place your finger all the way back to the back of the cut blade holder.

To Replace the Cut Blade

Loosen and remove the screw in the cut bar with wrench. Remove colored plastic insert and slide the old blade off cut bar (safely discard old blade).

Carefully slide new blade onto cut bar. Note: Sharp edge of blade should be facing the machine. Replace the colored plastic insert and secure with wrench.

Helpful Hints

- For best results, turn the handle slowly.
- If machine rollers pick up adhesive after use, clean with isopropanol alcohol.
- Store your machine and cartridge between 40°F and 70°F
- Can laminate up to 9" wide and up to 60' long.
- Xyron laminates are adhesive based, so they will not peel or separate. You can cut close to edge or into document itself.

Warranty Information

Xyron, Inc. warrants the Xyron® ezLaminator® is free from defects in material and workmanship for a period of one (1) year from the date of purchase. Xyron, Inc. will repair or replace a defective product or part without charge, with proof of purchase. If the product is damaged by neglect or misuse, the warranty is null and void.
